

## Welcome to Squirrel Class – Year 3.

Dear Parents / Carers,

Welcome to the new school year and to year 3 Squirrel class. With this letter, you have received a 'What to Remember' and a 'Curriculum Coverage' sheet of information. Please read them and keep both safe for reference. You will receive these each half term.

Our Year 3 adults are:

**Mr Beake**                      Class teacher

**Mr McCluskey**              Higher Level Teaching Assistant (also a qualified teacher) and teaches the class on Wednesdays

**Miss Hutchins**              Class Teaching Assistant, librarian and wider school interventions

We work closely together to ensure continuity and high quality-first learning and teaching for your child.

During the year, there will be opportunities for you to come in to school (Covid dependent), where we can share your child's work with you and celebrate successes. There will also be the opportunity to discuss progress during parent/carer meetings either online or in person. These dates will follow when finalised.

From the 17<sup>th</sup> of September until the 1<sup>st</sup> October, I won't be in school as I will be recovering from an eye operation. The children will continue to follow the learning I have set for the term and we will let you know the teacher who will be covering in due course.

I am very pleased to have already begun to get to know your child, their strengths, interests and personality. If you have any questions or concerns about your child's education and wellbeing as the term progresses, please do not hesitate to contact us.

Yours sincerely,

David Beake
